

MEMRO 2018

8th International Symposium on Middle Ear Mechanics in Research and Otology

Middle ear mechanics – Technology and oto-surgery

Announcement for MEMRO2018

Dear Colleges and Friends,

The 8th International Symposium on Middle Ear Mechanics in Research and Otology (MEMRO2018) will be held in Shanghai, China, during July 5th-9th, 2018.

We are very glad to invite authors to submit abstracts for presentation at MEMRO2018. Submissions are sought for orals and posters. The This meeting aims at promoting collaborations between scientists, clinicians, and engineers in middle ear research and otology by sharing the state-of-the-art work, exchanging ideas, and looking into the future. The theme for MEMRO 2018 will be “Middle Ear Mechanics - Technology and Oto-surgery”.

Important Dates

Open Registration and Abstract Submission: Sep.1st, 2017

Early bird registration deadline: Jan.31st, 2018

Abstract submission deadline: March.31st, 2018

Topics of interest

1. Biomechanics of the Middle Ear
2. Middle Ear Physiology
3. Surgical Techniques & Reconstructions
4. Middle Ear Pathology and Diagnostics
5. Middle Ear Implants (Active and Passive)
6. Computational Models
7. Imaging Technologies
8. Bone Conduction (Basic science and Clinical application)
9. Evolution & Development

Registration fee

Delegate Type	Early bird registration	Registration after 2018-01-31
Standard Delegates	USD 300	USD 500
Student Delegates	USD 280	USD 400
Accompanying persons	USD 60	

Sincerely,

Tianyu Zhang, MD., Ph.D.
Chair of MEMRO 2018, China
Eye & ENT Hospital of Fudan University

Rong Zhu Gan, Ph.D.
Co-chair of MEMRO 2018, USA
University of Oklahoma
